

# Groveland Mine Solar

## Groveland Area Improvement Grant Fund

Circle Power

### OVERVIEW

The Groveland Mine Solar Groveland Area Improvement Grant Fund is providing up to \$25,000 in grants for organizers of recreation or habitat improvement projects in the Groveland Mine Pond or Pine Creek Basin area. The first round of grant(s) will be awarded to one or more applicants in February 2025. Up to \$25k may be requested by a single applicant. Applications must be submitted no later than December 31st, 2024.

### ELIGIBLE PROJECTS

Eligible projects in the Groveland Ponds area or the Pine Creek Basin may include, but are not limited to, recreation access (trails, roads, boat launch), fish stocking, and habitat improvement.

Preference will be given to projects that leverage funds or contributions from other sources such as matching funds, in-kind contributions, and other grants.

Projects may be sited only on DNR lands and/or waterways. Projects are subject to DNR land review process and will be coordinated by DNR personnel.

Funds may not be applied as reimbursement for materials purchased prior to project inception.

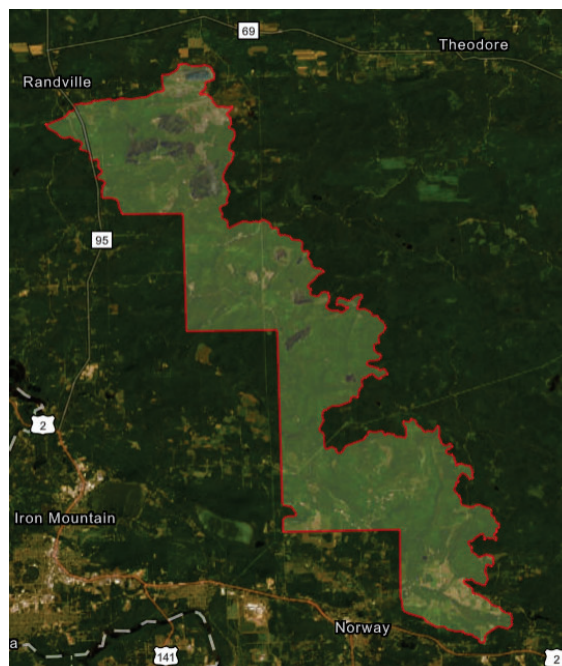

### GRANT ROUNDS

- The selection committee will award at least \$10,000 of the grant by Feb 26, 2025.
- At least \$20,000 of the grant by Feb 26, 2026.
- The entire grant by Feb 26, 2027.
